Information

Family Faith...

a faith formation program
for the entire family

Why?

Research shows that faith is best learned and shared in the family with the support and guidance of the Church.

- How can today's Catholic families experience and live faith in their homes? How can our families better reflect the love of Christ in our relationships with each other and the world? How can Catholic families fulfill their mission to be disciples of Christ in the community and world?
- We're in this together! The more we are present, the more the Holy Spirit ignites us to live our faith…every day.

How?

Every other week, families will gather together at Church, share a light meal and pray. Children and teens will breakout into age level small groups. Adults will break into their own small groups. Catechists & Small Group Leaders will lead the sessions. Childcare provided at all sessions for children 8 months - 5 years. On the weeks we do not meet at Church, materials will be provided to complete at home activities.

"AS THE FAMILY GOES, SO GOES THE NATION AND SO GOES THE WHOLE WORLD IN WHICH WE LIVE."
