Presenting Family Faith...

Why? All the research shows that faith is best taught in the family with the support and guidance of the Church. How can Catholic families experience and live faith in their homes? How can families better reflect the love of Christ in our relationships with each other and the world? How can Catholic families fulfill their mission to be Christ's disciples in the community and world?

We're in this together! The more we are present, the more the Holy Spirit ignites us to live our faith... every..day...

How? Every other week, families will gather together at Church, share a light meal and pray. Children and teens will go to age level small groups, adults will have small groups. Catechists & Small group leaders will lead the sessions. Childcare provided at all sessions for 8 mos-5 yrs. On the weeks we do not meet at Church, materials and activities will be provided to share at home.

"AS THE FAMILY GOES, SO GOES THE NATION AND SO GOES THE WHOLE WORLD IN WHICH WE LIVE." —ST. JOHN PAUL II
