Our Great Journey

is for everyone.

Faith Formation

Registration Information

Journey Small Groups are for everyone.

Why?

Research shows that faith is best developed when shared in faith groups with the support and guidance of the Church.

- How can we experience and live faith in our homes? How can we better reflect the love of Christ in our relationships with each other and the world? How can Catholics fulfill their mission to be disciples of Christ in the community and world? How can we tell others?
- We're in this together! The more we are present, the more the Holy Spirit ignites us to live our faith...every day.

How?

We gather together at Church every other week, share a light meal, and pray. Children and teens will break out into age level small groups. Adults will break into their own small groups.

Childcare is provided at all sessions for children 8 months - 4 years. On the weeks we do not meet at Church, materials will be provided for reflection and at home activities.
